

VIDEO PROJECT DIRECTIONS

- Pick a song to learn and record. This will be the background music for your video.
- Find or create visuals to go with the music. These could include:
 - Pictures you draw
 - Pictures you find on the internet
(Hint: visit the Online Classroom page on our studio website for a list of websites with free images: www.jenspianostudio.com/current-students/online-classroom)
 - A story or poem that you write to go with your piece
 - Facts that you research that go with your piece
- You will need _____ images and/or facts to go with your music.
- If you know how to use Powerpoint, you may choose to make slides with your images. You may also print or draw your visuals and bring them to lessons, or bring files on a flash drive.
- We'll work together at lessons to put together your finished video and load it on our studio YouTube Channel!
