

Interval Candy BINGO Board

- 1) Each player will need a BINGO board and 16 pieces of colored candy
- 2) Choose an interval to correspond to each color of candy
- 3) Place a candy piece on each square of the board
- 4) As intervals are played, players must identify them and eat the appropriate piece of candy.
Eat 4 in a row to win BINGO. Eat the whole board to win BLACKOUT!
