Steps & Skips

Sightreading Card Directions

1. Look at the hand pictured on the card. Is it left or right? Hold up your matching hand.
2. Name the finger pictured on the card. Wiggle your matching finger.
3. Name the first letter on the card out loud. Move your finger to that note on the piano.
4. Play the pattern on the piano, following the notes as they move up, down and repeat. Name the last note you play out loud.
5. Repeat the pattern, starting either higher or lower on the piano. How many different starting positions can you find?
