**To Make a Match  
You Need:**

A symbol

It's Name

It's Definition

very soft

very loud

short and  
separated

smooth  
and  
connected

put  
emphasis  
on this  
note

raise the  
note a  
half step

lower the  
note a  
half step

cancel a  
sharp or  
flat

## Memory Game

Find all the cards with **symbols** and place them upside down in a row. Then make a row of cards with the **name** of the symbols and a row of cards with **definitions**.

Turn over one card from each row. Do the 3 cards make a match? If so, pick them up and put them aside. If not, turn them back over and try again. See how many tries it takes to match all the cards!
