

Halloween Song Starters

Use the words below to help you get started composing your own Halloween song.
Feeling really creative? Make up an idea of your own!

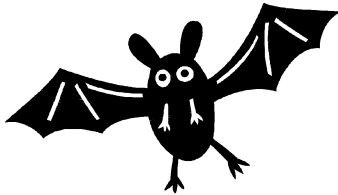

See his slimy purple skin and
his horns of glowing green...

Candy, candy, candy!!
It's my favorite thing to eat!

Jack-O-Lantern, Jack-O-Lantern,
glowing in the night...

Once upon a time, there was a bat
who couldn't fly...

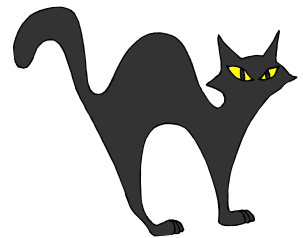

Something's hiding in the bushes,
I just heard a sound! ...

It was the spookiest thing
that you ever did see...

You'll never guess what I'm going
to be this year for Halloween...

I wonder what my cat does
on dark and stormy nights...
