**Did I have a positive attitude today?**

**Did I keep my fingers from doodling on the keys when my teacher gave instructions?**

**Did I sit tall at the piano for my whole lesson?**

**Did I use a good hand position for each song?**

**Did I pay careful attention to fingerings?**

**Did I choose an appropriate tempo for each piece (no speeding)?**

**Did I keep my eyes on the music and not my hands?**

**Did I make sure to hold long notes for their full value?**

**Did I pay careful attention to the details in my music?**

**Did I always double-check my hand position before I started to play?**
