Alphabet Cards

Alphabet Race

Lay one of each letter on the floor in order from A to Q, about a step's distance apart.

Walk forward and say each letter out loud as you step next to the cards, reciting the alphabet **forward**.

Then, walk backward and say each letter out loud as you step next to the cards, reciting the alphabet **backward**.

Do this several times, trying to walk faster each time!

Piano Note Game

Lay all of the alphabet cards (including the star cards) face down on one side of the piano.

Turn over a card and find that key on the piano, then move the card to the other side of the piano.

If you turn over a * card, turn over the next card, too and find that letter in 5 different places on the piano.

Keep going until you're done with the whole stack. If you're feeling brave, try timing yourself at this game every day for a week and see how you do!
