- You Don't Want This Card:** Use this as an "Old Maid" Card (or create your own, super-awful-horrible-bad use for it!)
- Take Two Turns in a Row** Player should draw 2 additional cards after drawing this
- Lose A Turn** Just like it sounds—Bummer!
- Switch Places** The player may switch places with ANY other player
- WILD** Can match with any other card—but the player must Announce what *should* have paired with that card  
(EX. if matching WILD to a pictured half note, the player must say "Half Note" or "Two Beats")
